- Graduated in 2006

The Little Rock Nine risked physical and emotional violence for peaceful existence. taught me the importance of taking risks for peace

PEACE CORPS ARMENIA

With my host mother Tamara in 2012

Meeting Secretary of State Clinton in 2014

ARMENIA, 2012-14

As a Community Development Specialist, I organized country-wide partnership initiatives to support youth literacy and public health awareness.

With my Armenian students at the Kapan American Corner in 2013

I was deeply affected by the impact the war in Armenia had on my community, particularly after losing my student, Noro, to the war.

THE ROTARY PEACE FELLOWSHIP, 2019-2021

What is positive peace?

Defined by a more lasting peace that is built on sustainable investments in economic development and institutions as well as societal attitudes that foster peace.

Positive Peace opposes what is known as the 'structures and cultures of violence'. These structures and cultures can cause people to behave violently, or impose violence on others.
